BIG CANDY’S SWEET DECADE OF PROFITS

In July 2006, ASA surveyed sweetened products at a local grocery store. This month, we repeated the process and found big price jumps.

Meanwhile, food makers pay less for sugar today than a decade ago.

And the sugar policy that helps make Big Candy’s sweet success possible still costs taxpayers nothing:

Fiscal Year 2006: $0.00
Fiscal Year 2016: $0.00
