

Walter Aucaylle

Packaging Engineer
Domino Sugar

Yonkers, NY

Aucaylle is from Peru. He always dreamed of working with machinery, but there were few opportunities in his home country.

INTERESTING FACT

Aucaylle moved to the United States to go to college and has now realized his dream of working with machinery through his job at the Domino Sugar Refinery.

WHAT DO YOU LOVE ABOUT YOUR JOB?

"The biggest thing for me is every day is different. So, I can never map out my day. I can never really think about my day ahead of time. And that's really exciting for me."

HOW ARE THE JOBS AT THE DOMINO SUGAR REFINERY IMPORTANT TO THE COMMUNITY?

"People stay here. They retire here. They stay here 30 years, 40 years, 50 years. I think it means a lot for the community and the company itself, too. It's a really nice partnership between the company and the community."
