

Anthony Richmond

Machine Operator
Domino Sugar Refinery

Baltimore, Maryland

Richmond left a job in a paint manufacturing plant for work at the Domino Sugar Refinery. The job has given him the ability to grow in his career and take care of his family.

INTERESTING FACT

Richmond is a machine operator but he's really more of a mechanic. He has to keep his packet machine running all the time and that often means repairing when it malfunctions.

WHAT HAS THIS JOB MEANT FOR YOU AND YOUR WIFE AND TWO DAUGHTERS?

"I'm satisfied. As long as my girls are happy, you couldn't take nothing from me. And this job helps with that."

WHY ARE THESE KINDS OF JOBS IMPORTANT TO THE COMMUNITY?

"Jobs in general, across the board, are hard to come by. Especially jobs where you are making a decent amount of money, great benefits, that have what I call retirement potential. And so these types of jobs for folks that are looking for them, are very important."
