

Harkirtan Singh

Power House Operator
Domino Sugar Refinery

Yonkers, New York

Singh moved to the United States from India to find a better life for himself and his family. He started as a laborer and worked his way up to powerhouse operator.

INTERESTING FACT

Singh's youngest daughter is bound for medical school.

HOW HAS YOUR CAREER PROGRESSED AT DOMINO SUGAR?

"I started 30 years ago as a temp. I came in as a temporary laborer. In 2012, I became the sub-foreman. The lead person in the power house. And I have an opportunity to become a supervisor but just decided to stay here."

HOW DO YOU FEEL KNOWING YOU'VE HELPED YOUR FAMILY THROUGH THIS JOB?

"This job makes me feel proud. I really appreciate my work and how this company pays me. I am able to support my wife and children."
