- Carrollton

FUN FACT

Michigan Sugar Company donates more than 100,000 pounds of sugar to community food pantries and churches every year.

"I love being able to go to the grocery store and look on the shelf and say 'Hey that could have come straight from my farm.' It's just awesome to know I had a part in that. And Michigan Sugar, being a cooperative owned company, it's like I own part of that company."

Rita Herford
Sugarbeet Farmer, Minden City, Michigan
