

SUGAR'S IMPACT ON OREGON

JOB

1,261

ECONOMIC IMPACT

\$128 million

ACRES OF SUGARBEETS*

9,500

TONS OF SUGARBEETS*

375,700

FUN FACTS

Most of the country's sugarbeet seeds are proudly produced in Oregon's Willamette Valley.

The famous neon Portland Oregon sign originally promoted Oregon's own and only sugar – White Satin.

"On our farm, sugarbeets are a steady source of income every year. We are thankful that U.S. sugar policy helps maintain a steady price, which reduces our risk, and helps us stay in business"

Chris Payne
Sugarbeet Farmer, Ontario, Oregon
