- Worland

**Sugar Distribution Centers**

- Torrington

**FUN FACT**

Wyoming sugar production really took off after the railroad came to Worland in 1906.

**"We can compete with anybody, but I can't compete against the Brazilian treasury or the treasury of India. We need policy. Good solid sugar policy. It's all at no cost. We just want a fair shake."**

**John Snyder**  
Sugarbeet Farmer, Worland, Wyoming

## COMPANIES

### Producing Sugar Sustainably

Small grains are an important rotational crop that helps sugarbeet growers manage disease and weed resistance.
