

SUGAR'S IMPACT ON OREGON

JOB

1,261

ECONOMIC IMPACT

\$128M

ACRES OF SUGARBEETS*

10,230

TONS OF SUGARBEETS*

391,000

FUN FACT

Most of the country's sugarbeet seeds are proudly produced in Oregon's Willamette Valley. The famous neon Portland Oregon sign originally promoted Oregon's own and only sugar - White Satin.

DISTRIBUTION CENTERS

- Milwaukie
- Portland
- Nyssa

PRODUCING SUGAR SUSTAINABLY

Oregon State University operates the Malheur Experiment Station where sugarbeet research is conducted to learn how to better control pests, optimize fertilization, and improve soil health.

"On our farm, sugarbeets are an important crop and a major source of income every year. We are thankful that U.S. sugar policy provides a safety net and helps us stay in business"

- Chris Payne, Sugarbeet Farmer, Ontario, Oregon

COMPANIES

West Coast Beet Seed Co
